For 40 years, many of our collections have become staples to the Kalco product line. These are designs that define the origins of Kalco as they have stood the test of time and continue to be top sellers. The collections feature a level of workmanship that is rarely seen in the marketplace today. From the Hand Forged Ironwork, to the Hand Applied Finishes, each piece is a true work of art.

Some of these collections allow designer flexibility in terms of Finish Options, Glass and Shade Options, including fabric and natural shells. In fact, many of the finishes are Hand Applied at our facility in Las Vegas, Nevada – USA Proud!

It is also important to note that the process to configure your product may take 3 to 10 working days!
