NEWTON & PILASTER COLLECTIONS

NEWTON & PILASTER COLLECTIONS

The Newton & Pilaster Collections are beautifully crafted restoration inspired fixtures. The extraordinarily Thick Clear Glass Shades and Heavy Spun Metal Shades are offered in four distinctively elegant designs. These fixtures have quickly become one of our most popular designs.

The Newton Collection features an assortment of Cone, Globe, and Bell shape pendants in Five sizes of shades (8", 10", 14", 16" and 18") available in glass and several premium metal finishes.

The large scale 16" & 18" pendants truly make a grand statement in any residential or commercial setting.

Both collections offer pendants, flush mounts, two & three light vanity fixtures, and sconces.

The Pilaster Collection offers multiple sizes of cylindrical glass fixtures. Mix & Match to create the metal finish combination to show off your style.
