URBAN NIGHTS

Collection

Urban Nights is a chic collection in perfect sync with on-trend transitional styles. Each fixture fuses modern geometric forms with frosted glass cylinders, illuminated by Xenon bulbs to create a two-way light source. Underneath the frame, LED downlights provide the second source of light. Urban Nights is available in a linear or circular black metal base with luminous cylinders set at various heights for visual movement.

California Title 24

All new homes, additions, alterations and most commercial buildings in California must meet minimum energy efficiency standards contained in Title 24, Part 6 of the California Code of Regulations. When you see the California Title 24 symbol next to a Maxim Lighting fixture, you can be assured that the fixture complies. More information on California Title 24 can be found on the California Energy Commission web site at energy.ca.gov/title24.

Warranty and Other Information

- For specific and detailed warranty information, ask your Maxim Lighting sales representative or visit www.maximlighting.com/warranty.
- Maxim Lighting reserves the right to change details of design, materials, colors and finishes. Color may vary from what is pictured due to limitations inherent to the photographic process.
- Always consult a qualified, licensed electrician before installation of any product weighing 35 pounds or more. We recommend that a qualified, licensed electrician do installations. Always install to a mechanically sound structure.
- Products in this supplement are UL or ETL certified. All electrical products are certified and listed to standards for use in the United States of America or Canada.
- Bulbs are not included unless otherwise noted.
