## MINIMUM ORDER

Minimum order is \$500. All new customers must have a valid and verifiable tax id number. Orders for less than \$500 that can be shipped entirely via parcel carrier may be accepted but will be billed with a higher freight rate (see Shipping Charges below). Minimum order does not apply if shipped on a freight collect basis.

## HOW TO ORDER

Orders may be placed either with authorized Cyan Design sales representatives or via toll free phone calls, faxes, or emails to our customer service department.

## WAREHOUSE/ORDERING HOURS

Order lines and warehouse operations are open from 8:00am - 5:30pm Central Standard Time Monday through Thursday and from 8:00am – 5:00pm Central Standard Time on Friday.

## PAYMENT TERMS AND CREDIT APPROVAL

Payment for your first order is accepted with Visa, Mastercard, American Express or Discover credit cards. Credit cards are verified before an order is filled. Credit cards are not charged until the shipment leaves our warehouse (except Internet orders- whereby credit cards are charged at the time an order is placed). Upon receipt of a second order, an open credit account can be established upon submission of satisfactory credit references. Credit approved accounts receive payment terms of net 30 days (i.e., payment is due 30 days from the invoice date). We use the services of Dun & Bradstreet and other credit reporting companies for credit analysis. We report delinquent accounts to those companies. We fill orders only after credit approval. Orders for past due accounts are not shipped until the account status is current.

## BACK ORDERS

If an item is not in stock at the time your order is placed, we will provide an estimated availability date for the item and you may elect to keep the item on back order or cancel the item from your order. Back orders are maintained indefinitely until we ship the item to you, or you cancel your order for the item, or the item becomes discontinued. Orders for additional items may not be appended to open back orders.

## FREIGHT CLAIMS

We assure that products are in good condition prior to packing and shipping. We are not responsible for shipments after they leave our warehouse. The carrier signs for acceptance at that time. Customers must examine all arriving shipments for evidence of damage or breakage, and must refuse acceptance or file a claim with the carrier for compensation. UNDER NO CIRCUMSTANCES CAN CYAN DESIGN BE RESPONSIBLE FOR DAMAGE IN UPS or FED EX SHIPMENTS.

## SHIPPING POINT

All shipments are FOB Cyan Design's warehouse, Ft. Worth, Tarrant County, Texas

## SHIPPING METHOD

We ship via the least expensive, not necessarily the fastest, carriers. If you have a preferred carrier, we welcome the information and will ship via that carrier. For basic ground transportation services, you may be asked to pay a premium for custom selected carriers. If you request any type of expedited ground transport or air transport services, you are responsible to pay the entire freight services charge for such shipments.

## SHIPPING CHARGES

Shipping charges for an order (or any back order) are calculated based upon the original order total.

For orders of less than \$50: Freight charges for standard LTL commercial delivery or parcel delivery will be \$15. If any items are back-ordered, they will also be billed freight charges of \$15 when they ship.

For orders of at least \$50 but less than \$500: Freight charges for standard LTL commercial delivery or parcel delivery will be equal to 20% of the total order amount. If any items are back-ordered, they will also be billed at a 20% freight rate when they ship.

For orders of at least \$500 but less than \$2500: Freight charges for standard LTL commercial delivery or parcel delivery will be equal to 15% of the total order amount. If any items are back-ordered, they will also be billed at a 15% freight rate when they ship.

For orders of \$2500 or more: Freight charges for standard LTL commercial delivery or parcel delivery will be equal to 10% of the total order amount. If any items are back-ordered, they will also be billed at a 10% freight rate when they ship.

The above shipping rates apply only to basic ground transportation for the shipment of single orders made to one destination at one time within the Continental U.S. We contract with LTL freight carriers (such as Yellow Freight Lines) for standard commercial delivery only. Residential delivery or accessorial services that you may require from an LTL carrier (such as inside delivery, re-delivery, call for appointment, lift gate request, etc.), will incur freight charges that are in addition to the freight rates stated above. If you advise us that you need such services when you place your order, we will prepay for the services and add them to your invoice. Otherwise, the freight carrier or Cyan Design will bill you for such additional services. Parcel shipments (such as UPS) will not incur additional freight charges for residential delivery or accessorial services.

**Note about Special or Additional Delivery Services:** Any special delivery services that you require from the carrier that are different or in addition to those described above may be available and purchased directly from the carrier.
