#181

CONTEMPORARY • Page 1-79

Lite Source offers a vast array of clean-lined contemporary designs that fit beautifully with today's modern lifestyle. Our close attention to detail, finishing & Shade treatment ensured that each piece will be a fashion forward fit for your home.

TRANSITIONAL • Page 80-129

Lamp designs that incorporate simplistic lines and a modern flair fit our definition of transitional styling. This category encompassed the widest range of designs and finishes. You're sure to find styles that are a fit with today's simplified, clean line, décor trends.

LED • Page 130-161

Lamps unitizing LED technology represent the fastest growing, ever evolving, product category. With nearly one hundred styles to choose from Lite Source proudly combines modern styling with superior lumen output to deliver quality products for both the home and workplace.

RUSTIC & INDUSTRIAL • Page 162-191

Whether you need an iron lamp that's at home in Manhattan or the mountains you will find it here. We offer a wide array of pleasing styles in metal, wood and ceramic designed in rustic and industrial themes.

DESK & TASK • Page 192-217

Lite Source is the leader in task and desk lamp selection and styling. Form and function cover a wide range of design needs from college dorms to executive boardrooms. Quality task lighting has never been more in demand and we offer innovative styling solution for both the home and workplace.

TRADITIONAL • Page 218-241

Our traditional lighting continues to have its roots in classic design and finishing. Special attention to multi-toned finishing and style right shades continues to be the hallmark of this category. Tiffany lamps represent the ultimate in style and craftsmanship as each lamp is hand made by skilled artisans.

FIXTURE COLLECTIONS • Page 242-299

Our fixture collections include an eclectic range of styles such as contemporary, traditional, transitional, industrial, rustic and everything else in between. Each style is accentuated by the most suitable light source such as LED, incandescent, halogen, or vintage bulb, in order to create that perfect illumination and mood within your space. With our large selection of items, we are confident that you will find the perfect piece for your home, office, or business.
