CEILING FAN COMPANY

BUILDER'S LIGHTING GUIDE

COMPLETE LIGHTING & FAN SOLUTIONS

## WELCOME

---

Whether you are building starter homes or custom dream homes, you only need to go one place for all your lighting and ceiling fan needs.

Across Monte Carlo Ceiling Fans and the Sea Gull, Feiss, and Designer Collections, Generation Lighting offers the largest selection of lighting and fans in the industry for all styles and budgets. From understated designs to unique statement pieces for each area of the home, inside or out, you will find products that perfectly fit your home building projects.

**ICON KEY** Throughout this catalog you will find these icons which represent special features of our products.

**DAMP** **DAMP**  
 UL and c-UL Listed for damp locations.

**WET** **WET**  
 UL and c-UL Listed for wet locations.

**SS** **STONESTRONG**  
 Constructed with a unique synthetic composite engineered to withstand the harshest environmental conditions and backed by a 5-year warranty.

**+** **FIXTURE OPTIONS**  
 These fixtures may a) mount up or down, b) have a flush or semi-flush option, or c) have configuration options, such as moveable heads or arms. Details are provided in the item description.

**T24** **T-24**  
 Can be used to comply with California Energy Commission (CEC) 2016 Title 24 Part 6 High Efficacy LED Light Source Requirements if used with lamps that are registered and appear in the CEC Appliance Database.

**EN★** **ENERGY STAR QUALIFIED**  
 Meets strict energy efficiency guidelines set by the EPA and Department of Energy.

**LED** **LED**  
 Has integrated LED or LED option.

**FL** **FLOURESCENT**  
 Has a flourescent light source.

**☾** **DARK SKY**  
 Has 180° light cut-off to minimize light pollution in the night sky.

**🐢** **WILDLIFE FRIENDLY LIGHTING**  
 When used with lamp #97501S, the amber LED @590nm complies with marine turtle safe lighting requirements within coastal regions.

**DC** **DC MOTOR (CEILING FANS)**  
 These fans carry DC Motors which provide greater performance, efficiency, and savings over standard motors. DC Technology also keeps the motor cool, extending the fan's lifespan.

**50LB** **WEIGHS OVER 50 LBS**  
 These fixtures weigh over 50 pounds and must be supported independently of outlet box.

**ADA** **ADA COMPLIANT**  
 Meets Americans with Disabilities Act 4" maximum extension requirements.

# WHO IS GENERATION LIGHTING?

Generation Lighting is a trusted brand offering a unified portfolio of legacy collections, Feiss and Sea Gull, and partnerships with a new generation of well-known, leading designers. Our brand offers all categories of trend-conscious, indoor and outdoor lighting at an outstanding value.

## TRAVERSE LED DOWNLIGHTS

Generation Lighting Traverse downlights feature advanced technology that enhances job-site productivity and efficiency with quick, easy installations. At the same time, they provide consumers with eye-pleasing, long-lasting, energy-efficient and more cost-effective lighting solutions. In short, the Traverse line is exactly what you'd expect from Generation Lighting, which has dominated the LED-lighting market for the last decade.

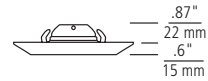

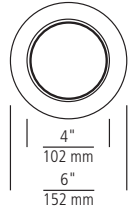

- Significant time and money saved given quick installation
- High-quality, dimmable LED
- Powerful light output
- ENERGY STAR and CEC Title 24 compliance
- Round and square aperture options
- Countless applications for both new construction and remodel projects
- Five-year warranty

So whatever your lighting needs, the Generation Lighting lineup of Traverse LED downlights can fill it. And along the way, we bring to the table affordability, ease of installation, money-saving and energy-reducing efficiency, and exceptional durability and light quality.

# TRAVERSE MIRAGE

TRAVERSE MIRAGE  
14916RD-15

## FEATURES & BENEFITS

- Recessed look and feel with unparalleled Efficacy of LED
- Economical, long lasting upgrade to standard recessed lighting
- Provides visually pleasing, color accurate 90CRI illumination
- Dimmable down to 10%<sup>(1)</sup>
- ENERGY STAR® Qualified
- Title-24 Compliant
- Wet Rated for shower ceiling installations
- Flat lens
- Easy to install

## DIMMER COMPATIBILITY

**14610**  
 for housings without integral "C" clips

## FEATURES & BENEFITS

- Designed for superior performance and value
- Economical, longer lasting alternative to standard recessed downlights
- Provides visually pleasing, color accurate illumination (90 CRI)
- Warm-on-dim feature creates a progressively warmer colored light as it is dimmed so you can create just the right mood for your space
- Easy to install:
  - Standard 120V lighting fixture
  - Mounts to standard 4" round / octagonal junction box with 1.5 inch depth
- Title-24 Compliant
- Retrofits into most common recessed lighting housings with optional Edison base adapter (part #14791)
- Wet rated for shower ceiling installations
- Dimmable down to 5%<sup>(1)</sup>

# WALL / BATH

Bath lighting exemplifies the need for the perfect balance between form and function. The fixtures must be attractive and elevate the room's décor, of course, but more importantly, they must provide beautiful illumination for the task at hand.

# STONESTRONG COMPOSITE

DESIGNED FOR BEAUTY,  
ENGINEERED FOR THE ELEMENTS

With outdoor lighting fixtures made with StoneStrong composite, you now get the best of both worlds: the versatility and style you've come to expect from Generation Lighting, coupled with the rugged, no-nonsense durability of this remarkable proprietary material.

StoneStrong is made up of ground marble and emery for strength, latex composite for durability, bonded together with an ATP adhesive used primarily in outdoor applications.

StoneStrong composite is especially well-suited for harsh climates where prolonged exposure to salty air, rain, sun, snow and humidity—even debris and pollutants—is the rule, not the exception.

## BENEFITS

- Rustproof
- Resists Corrosion, Fading, Fire, Acids and Alkali
- Twice the Strength of Resin
- Withstands Temperatures Ranging from -20° F up to 120° F
- Eco-Friendly—Complies with Restriction of Hazardous Substances (RoHS)
- Maintains Fine Design Details and Textures
- Coastal Region Approved

YEAR  
WARRANTY

Photography: ©Jessica Klewicki Glynn | Instagram: @jessglynnphoto | Designer: Knowles Interior Design

# STONESTRONG FAMILIES

StoneStrong material is molded together, enabling custom design capabilities with unique forms, fine detailing, and richer texture than what can be achieved with aluminum or resin.
