PORTABLE LAMPS

# FLORENCE

The Florence table and floor lamps are a sculptural, midcentury designed breath of fresh air. They feature a large illuminating rectangle that rests slightly off-center in a small concrete cube. Hard edges give this minimalistic lamp a striking profile.

# CERENA

The Cerena portable lamp brings minimalist modernity to the forefront with its slender silhouette. Resting on three legs, they come to a center point and then gently spread their arms out in opposing directions.

The LED bulbs add a brilliant glow to this modern must-have.
