ESCUDILLA

Dark-Sky

The International Dark-Sky Association (IDA) is a non-profit organization that educates and promotes the reduction of the effects of outdoor lights on the night sky by reducing the night time glare caused by outdoor lighting fixtures. The Great Outdoors® is pleased to present exciting Dark-Sky Friendly families of outdoor lighting, compliant with the standards

established by the IDA, including our popular Dark-Sky Friendly sconces. All meet UL or ETL standards for wet locations. While our Dark-Sky fixtures meet IDA specifications, you will need to consult local regulations for specific standards established in your area when choosing your fixtures.

Dark-Sky Features:

- Fully shielded light source reduces glare to enhance the night sky
- Attractive details allow Dark-Sky compliance without compromising style.

- Minka-Lavery® will warranty only product sold through authorized Minka-Lavery® dealers.
- All products depicted in this catalog, when properly installed, are UL or ETL listed, suitable for Wet Location. The only exception are flush mounts and chain hung which are UL or ETL listed, suitable for Damp Location.
- We strive to make sure each finish matches the colors which appear in this catalog; however, finishes may vary due to various chemical processes and the nature of hand-craftsmanship.
- Seeded glass (both flat panel and mouth blown) is handmade and variations will occur.
- Larger size lanterns may require reinforced outlet boxes or additional support.
- Although we use the best available clear weather resistant lacquer, we cannot guarantee our exterior finishes due to extreme adverse conditions such as acid rain, ultraviolet rays, salt air, etc.
- We cannot guarantee our direct burial post due to environmental characteristics including moisture, salinity, corrosiveness and other soil and air conditions.
- The finish on our wrought iron series may be affected by direct salt water spray exposure.
- We reserve the right to make design changes and modifications without prior notification.

WARRANTY - All products in this catalog, other than our LED fixtures which has a limited Power Supply warranty (Module, PC Board Diodes and Drivers) for three (3) years, are warranted to be free of defects in material and workmanship for one (1) year from date of purchase. This warranty is limited to the correction of any such defect, or the replacement of any such defective item, provided that: (a) item(s) was (were) purchased from an authorized Minka Group® distributor; (b) we are properly notified and consent to the return of the item(s) in question; (c) the item(s) is/are returned with proof of purchase date; and (d) it is found upon inspection by us that the item(s) is/are defective as noted above. This warranty does not cover labor costs or consequential damages, nor does it apply to any item(s) that has/have been improperly installed, overloaded, altered, or otherwise abused by the customer, its agent(s) or employee(s).

FINISH DISCLAIMER: All finishes, other than our Ever-Pro™ Series Outdoor product finishes which has a limited warranty for three (3) years, are specifically excluded from the terms of this warranty since they are subject to environmental and maintenance damages beyond our control. Other than the described obligation, we assume no further liability with respect to the sale or use of our products. We make no warranty, express or implied, and disclaim any warranty of merchantability or fitness for a particular purpose.

Product specifications are subject to change at any time.

GENERAL CONDITIONS - The Great Outdoors® by Minka-Lavery® may terminate its business relationship with any dealer that fails to maintain adequate stock of The Great Outdoors® product. Further, The Great Outdoors® by Minka-Lavery® may cease selling product to any dealer that sells or distributes to an unauthorized dealer for resale purposes. Trans-shipment of products is prohibited to any and all lighting showrooms or other unspecified distribution channel.
