# We want you to enjoy your experience with Hinkley.

---

We're proud to be a 4th generation family company, and we love what we do. We've been designing and creating products with the same level of style and quality we put in our own homes since 1922. So whether you are flipping through our catalog, surfing our site, getting inspired through social media, chatting with a member of our team or checking out our designs with one of our retailers, we're always looking for your experience with Hinkley to be a positive one. Here's all you need to know:

## CATALOG COLLECTIONS

Hinkley catalogs feature our current and complete product line along with important product specs and detailed photography. A must for the print-loving researcher who likes to tab their favorites. Stop by your local showroom for your own copy.

## HINKLEY.COM

Dive in! Our easy-to-use site makes your product research process a snap, with the added benefit of tips, trends, installation guidelines and a quick connection to our retail partners.

## #HINKLESTYLE
