Sinclair LED Sconce SNS Series

Features

This Sinclair LED sconce is highly decorative style adding beauty and light to any room. An excellent alternative solution to incandescent or CFL fixture with long lasting and energy saving LED technology. Ideal use for general lighting in indoor residential, commercial, and hospitality applications. Fixture must be mounted to a rectangular 2" x 4" junction "handy" box (not included). Available in multiple sizes.

Construction

A combination of 22-gauge steel housing and aluminum die cast accent trim supporting fabricated diffuser. Rear housing is recessed and smaller than the front plate. Power supply connections must be made inside a junction box (not included).

Finish

All metal parts are plated satin nickel.

Diffuser

0.100" thick frosted white acrylic.

Electrical

Input 120-277 VAC / 60Hz.
Compatible with residential (TRIAC/ELV) and commercial (0-10) dimmers. TRIAC and ELV dimming only at 120 VAC.

LED

Integrated LED modules capable of producing:
10" - 9W, 700 source lumens
18" - 17W, 1400 source lumens
Adjustable Choice 3000K, 3500K, 4000K (CCT).
50,000 hr. LED life, 90 CRI.

Certification

All fixtures are cETLus listed for indoor damp locations.
ADA Compliant

Limited Warranty

This fixture is warranted to be free from defects in materials and workmanship when installed and used under normal operation conditions for a period of 5 years from date of purchase.

Specifications and dimensions
subject to change without notice.
