## PISMO PENDANT

H: 24.5 IN, Dia: 28.00 IN  
Natural Raffia, Antique Brass  
Contract Suitable As Is

You can find this undulated barrel shape throughout the natural world, from sea urchins in the Pacific to barrel cactuses in the desert. This ubiquitous silhouette was the inspiration behind the Pismo Pendant, which is crafted entirely from thin, hand-woven natural raffia on a metal frame. We've added our unique interpretation with antique-brass finished accents, adding a twist of modern style to its organic aesthetic. Additional pipe available (PIPE-504). Damp-rated, although limited covered outdoor areas may affect finish.
