Natural Iron, Mirrored Glass

Contract Suitable As Is

Like a balancing act, this chandelier explores an interaction between linear composition and circular softness. The natural iron frame crosses in the center to hold four mirrored glass disks and is designed to mount closely to the ceiling. Each disk has a handmade antique finished interior to reflect the light upward and back down from the ceiling, while also adding a textured look from below. Additional pipe available (PIPE-197). Approved for use in covered outdoor areas.
