H: 14 IN, W: 7 IN, D: 4 IN

Antique Brass

Contract Suitable As Is

The sleek and straightforward design of the Driscoll is more of a modern work of art than a contemporary light solution. Two staggered steel planes in different finishes slightly overlap one another—one in antique brass one in heritagebrass—creating a contrast that is highlighted when in use. Its bulbs are neatly concealed between the metal planks offering a soft glow that peeks out from behind. Damp-rated, although limited covered outdoor conditions may affect finish.
