Irene-5H

Designed in 2013

The Irene-5H ceiling-mount fan is rustic, yet strikingly modern with five neatly joined, solid wood, matte black, matte white, gray ash, light maple, walnut, or barn wood tone blades. A cylindrical motor housing complements its minimal profile. Irene-5H is streamline while still appearing warm and natural. Constructed of cast aluminum and heavy stamped steel, the Irene-5H has a limited lifetime warranty.
