Blackened Iron

Contract Suitable As Is

A unique design that fools the eye. The spike holding the mirror appears to have been hammered into the wall, when in fact, the piece is actually suspended from a cleat on the mirror's back. The spike is purely decorative. The iron frame is finished in burnt wax and the plain mirror makes this functional. Barry suggests using two over the double vanity in the master bathroom.

APPEARANCE

Material	Iron, Mirror
Finish	Plain
Top Coat/Sealant	false
