## NALA PENDANT

49174  
 H: 22 IN, Dia: 15.00 IN  
 Brushed Nickel, Clear Glass  
 Contract Suitable As Is

Two shades of hand-blown glass forms the drop of this pendant. Seemingly simple in its design, an inner teardrop-shaped shade conceals a standard bulb in opal glass, then a larger shade rests outside it, exposing the inner piece in clear glass. Both hang from a stainless steel stem and mount, both finished in brushed nickel. Additional pipe available (PIPE-181). Also available in antique brass (49098). Damp-rated, although limited covered outdoor conditions may affect finish.
