CELESTE ACCENT TABLE

9005

Contract Recommendations: Not for use on carpets or rugs

Adding a lacquer coating provides additional protection

A new version of a very popular design, this Celeste Accent Table is a mix of white marble and antique brass. Like the original, the height adjusts while still having a small footprint. One of the best-selling designs we have. The adjustable height (19" or 21") makes it possible to nest two of them together.
