

Mini Orbel Round Pendant LED

DESCRIPTION

The Mini Orbel Round Pendant by Tech Lighting is inspired by Mid-Century modern art with layered geometric shapes and a frosted LED globe. The Mini Orbel Round features circular disks that encompass a frosted sphere of light. Designed at a smaller scale of 8 inches diameter, the Mini Orbel is offered in three modern finishes, Matte Black, Satin Nickel and Natural Brass that will patina over time. The Mini Orbel Collection is great to install as a single fixture or in multiples with other designs. Complete the look with other fixtures from the same collection, Mini Orbel Pyramid and Orbel Line-Voltage Pendants. Includes 12 volt 6 watt 225 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cuttable cable to match finish selection.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

WEIGHT

2.4-2.4lb / 1.09-1.09kg ±

nightshade black natural brass
