Semi-Flush

A hand-painted Rubbed Bronze finish complements the textured Seeded Glass and heightens the rustic industrial look of the Galveston Collection. These vintage-inspired fixtures have a unique convertible design that allows the fixture to be mounted with the glass facing up or down. This strikingly masculine collection is perfect for vintage farmhouse and industrial decors. This 3-light Convertible Semi-Flush creates a dramatic focal point and warm ambient up or down lighting. The fixture includes long and short rods for multiple hanging options
