

SARATOGA

2832-PN

Modern in form, yet retro in style, Saratoga takes globe lighting to a new level. Whether slightly curved or long and straight, Saratoga's arms perfectly complement its gorgeous alabaster glass globe shades. The clean metal caps and the refined finished on the tails are the finishing touches to this design that works beautifully with any style. Sconces can be mounted horizontally or vertically.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
