CHANDELIERS

PROJECT

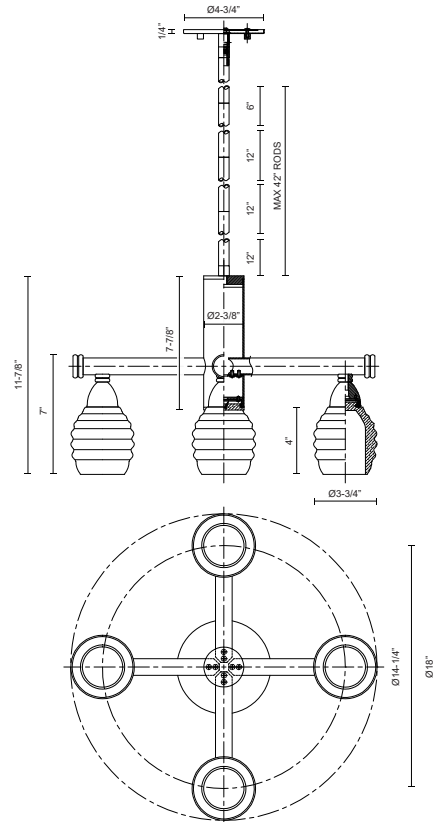

DESCRIPTION

This magnificent vintage but modern designed LED chandelier is truly one of a kind. From the center is a vertical polished chromed cylinder which extent four architecturally designed arms with elegant downward cannikins which omit the light beautifully through each die-cast clear glass. At the bottom of the center cylinder is a downlight light covered by a tranquil frosted diffuser. Equipped with our powerful 120V AC LED technology.

SPECIFICATION DETAILS

* For custom options, consult factory for details.
