

Mini Syrma Pendant

DESCRIPTION

The Mini Syrma pendant light by Tech Lighting features duplicated machined metal rods that have been painstakingly fastened at perfectly spaced intervals to form a striking, multidimensional shade. At its core, light emanates from its smoothly diffused LED source to illuminate this mid-century modern inspired piece. Scaling at 12.7" in length and 4.8" in width the Mini Syrma is ideal for kitchen island task lighting, dining room lighting and bedroom lighting. The Mini Syrma can carry into other areas as it is one of two in the Syrma collection, simply search for Mini Syrma to find its closest relatives the Syrma Grande and Syrma. Your choice of energy efficient LED lamping ships with the Mini Syrma to save you time and money. All lamping options are fully dimmable to create the desired ambiance in your special space. Includes low-voltage, 35 watt, 525 gross lumen, halogen bi-pin lamp or 8 watt, 500 gross lumens, 3000K, replaceable SORAA® LED module. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Ships with six feet of field-cuttable cable. Works with SORAA.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
