KARRINGTON SMALL CHANDELIER

89016
 H: 12 IN, Dia: 37.00 IN
 Antique Brass, Opal Glass
 Contract Suitable As Is

The irregular symmetry of the design in combination with the antique brass and opal glass spheres almost makes this feel like something mother nature conceived. With 12 lights, it provides plenty of wattage over a large table. Consider shortening the pipe so it appears to be hugging the ceiling for a totally original look. Additional pipe available(PIPE-101). Damp-rated, although limited covered outdoor conditions may affect finish.
