

ARTERIOS

TILDA SMALL CHANDELIER

89559

H: 30 IN, Dia: 21.00 IN

Whitewash Stained Wood, White

Contract Suitable As Is

This rustically refined chandelier instantly transforms a space. The multi-tiered form features wooden dowels, finished in white, on curved and pliable iron arms. The wooden rods will arrive with a series of inherent fissures and cracks that will widen and multiply over time. This is considered a natural occurrence and is both beautiful and intentional. During installation, please ensure the bulbs are not in contact with the wooden components by gently adjusting the arms to create a one-inch minimum distance between the dowels and bulbs. Each piece will vary in size, shape, and finish. Additional chain available (CHN-959).
