Draftsman's updated transitional form ties perfectly into any space while delivering superior performance. Matte White and Matte Black finish options enhance Draftsman's industrial-inspired design to complement indoor and outdoor spaces alike. With integrated LED and DC motor technology, Draftsman delivers excellent energy efficiency. For lower ceilings, a flush mount kit is an accessory option for easy customization. Operated by the HIRO control or WiFi-compatible with the Hinkley app.

PRODUCT DETAILS:

- This item includes a 6" down rod. Other various lengths of down rods are available and sold separately to customize the installation height.
- Suitable for use in wet (interior direct splash and outdoor direct rain or sprinkler) locations as defined by NEC and CEC. Meets United States UL Underwriters Laboratories.
- This item may be hung on a sloped ceiling
- For more information on how to control your ceiling fan via the Hinkley Home Automation App, click here.
- This product uses recyclable or limited packaging materials to help reduce waste.
- Powered by a highly efficient and quiet DC motor
- Fan Control included, HIRO Control - 6 Speed Reversing
- WiFi compatible with included fan control
