Medium Wall Sconce - Outdoor

Dress up the look of your home's exterior with the Cohen Collection. Inspired by the sophistication of early European architecture, Cohen was created with traditional homes in mind. The series features classic details like a mansard roof, clear glass, and candelabras. UV-coated finish options protect the fixtures from fading, while clear glass panels shield the bulbs from the elements. An open bottom allows for easy bulb replacements. Insert the optional Brushed Champagne Bronze Accent for an updated look.
