

ARTERIOS

PASCAL PENDANT

45049
 H: 25 IN, Dia: 36.00 IN
 Egg Shell Fiberglass, Antique Brass
 Contract Suitable As Is

Equal parts classic and dramatic, this over-scaled light fixture delivers form & function in grand scale. The streamlined dome design features an outer matte eggshell surface while the interior of the dome features a brilliant gold metallic semi-matte finish. Though a stand-out fixture on its own, it makes an even bigger impact when grouped with the complementary shapes and tones in the Pascal, Patton and Ponce Pendant Collections. Additional pipe available (PIPE-504). Damp-rated, although limited covered outdoor areas may affect finish.
