WHITTIER SCONCE

49255
H: 16 IN, W: 5 IN, D: 6 IN
Pale Brass, Clear Fluted Glass
Contract Suitable As Is

This tuxedo-style sconce bestows a classic element to any façade it graces. The two-light fixture features clear fluted glass shades, fixed on a pale brass steel plate, that maximize the light and add texture to its directional pattern. Pair with another to create a double vanity story in a powder room, or for a more dramatic effect on a wallscape. Damp-rated, although limited covered outdoor conditions may affect finish.
