# Jarold Direcional

*Designed in 2007*

Unique and versatile, the fan head of the Jarold Direcional ceiling fan can be infinitely positioned in a 180-degree arc, forward and reverse, to provide maximum, directional airflow. The Jarold can be hung in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation or air conditioning of any room. Constructed of cast aluminum, heavy spun and stamped steel, the Jarold Direcional carries a limited lifetime warranty.
