DESCRIPTION

Architectural circles in a five statement sizes ranging from 24" to 71" accommodate virtually all applications and architectural styles. Essence features a proprietary seamless diffuser that provides broad, even illumination and is suspended by low-profile powered aircraft cables. Rings may be clustered together to create a custom looking presentation for larger scale installations. Perfect for commercial, office and hospitality applications such as lobbies and meeting spaces.

FEATURES

- Thin powered aircraft cables provide an ultra-clean look
- Alternate color temperature available (3000K or 4000K special order)
- Driver concealed within the canopy
- 5 year warranty
