HANLEY LARGE CHANDELIER

89012
H: 44 IN, Dia: 37.00 IN
Antique Brass
Contract Suitable As Is

You asked for a more transitional version of 89010, so we plated the center sphere and suspension pipe in a warm antique brass finish. The triangular, fluted glass rods are the same, but they take on the warmth of the brass. We loved this combination so much we made it a smaller size as well (89011). A grand statement over a dining table or suspended in a staircase. Damp-rated, although limited covered outdoor conditions may affect finish.
