

WARNING:

This fixture is intended for installation in accordance with the National Electrical Code (NEC) and all local code specifications. If you are not familiar with code requirements, installation by a certified electrician is recommended.

Before assembly, remove all parts and part packages from box. If anything is missing, please contact the retailer from which the product was purchased.

CAUTION: To prevent shock, only plug in lamp after lamp assembly is complete.

SAFETY INSTRUCTIONS:

- Use only a three-wire, three-prong outdoor extension cord.
- Use only an extension cord rated for outdoor use.
