

JAMESPORT

1061-PN

Half metal, half alabaster diffuser, Jamesport's unique design grabs attention. Essentially a sliced cylinder shape, the alabaster top projects out beyond the metal housing allowing the glow from the lit alabaster to reflect beautifully off the metal below. Available in Aged Brass, Polished Nickel and Old Bronze.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
