WATERCREST SCONCE

49333
H: 7 IN, W: 7 IN, D: 4 IN
White Alabaster
Contract Suitable As Is

The Watercrest Sconce redefines natural sophistication. Blocks of honed snow marble framed in antique brass steel offer a raw yet refined element to the space it occupies. The unfinished quality of the façade possesses an incredible amount of texture, both visual and to the touch, that is heightened when illuminated. A luxe lighting option for small, stylish spaces. Marble may vary. Damp-rated, although limited covered outdoor conditions may affect finish.
