

Nyra 28 Chandelier LED

DESCRIPTION

The Nyra 28 Chandelier by Tech Lighting is a stunning collection truly reflecting the essence of modern LED art. Nyra features light guide technology in geometrically shaped acrylic LED panels, producing an ample amount of general illumination. Offered in two beautiful finishes, Plated Brass and Nightshade Black, Nyra is designed with LED technology that provides energy efficiency for savings without sacrificing performance. Available in two sizes including 28" and a generously sized 42" diameter. For a coordinating look, also available as a 60" Linear Suspension and a smaller scale Low-Voltage Pendant. Includes 59.4 watts, 4440 total delivered lumens, 3000K LED modules. Dimmable with most LED compatible ELV dimmers. Ships with (4) 12" and (2) 6" rigid stems in coordinating finish. Can be installed on a sloped ceiling up to 20°. 120V-277V.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.
