Scott LED Overbed
SCTB Series

Features
White acrylic diffuser panel provides a soft glow accent to
this contemporary wall mount senior care overbed light. The distressed grey
trim accents identify the graceful shape.The Scott provides both ambient and
task light with a four way pull switch, standard (120 volt only).
Top diffuser and bottom diffuser are frosted white acrylic.

Construction
The light wiring channel is formed from 22-gauge steel and is provided with
keyhole mounting slots and wiring access. An internal divider provides separate
lamp compartments for controlled up light and down light. The decorative frame
is stamped steel and glued to the diffuser. Fixture can mount horizontally only.
Power connections can be made in the fixture wiring channel or in a standard
junction box (not included).

Finish
All metal parts are finished in distressed grey. Internal housing
is finished in a lighting grade baked white enamel.

Diffuser
Diffuser is 0.070" thick matte white acrylic. Frame mounts
 to electrical channel with two decorative screws.

Electrical
Input 120VAC / 60Hz.
The shorter length fixtures produce 1350 source lumens upward,
and 2700 down, while the longer fixtures provide 1800 source
lumens upward and 3600 down. Four position pull switch
(on up, on down, on both, all off) are standard and located
near the right side of the fixture. LED nightlight with on/off
control pull-switch is included. Not compatible with dimmers.

LED
Integrated LED modules producing a total of
4050 or 5400 source lumens in 3000K CCT., 90 CRI
Rated for 50,000 hours

Certification
cETLus listed for damp locations.
ADA
