BEND LINEAR CHANDELIER

WORKSHOP

DA49024
 H: 31 IN, W: 48 IN, D: 5 IN
 Blackened Steel, Amber Glass
 Contract Suitable As Is

The Bend Linear Chandelier is a study in contrasts, pairing a geometric, triangular armature with curved, rippled glass shades. Two half cylinders of textured amber glass containing four lights are delicately suspended from the blackened steel armature in linear formation. Available in silvery grey Smoke or warm Amber glass and blackened steel or antiques brass metal, the Bend Linear chandelier makes a sleek statement on its own but doubles down on drama when arranged in multiples. Additional pipe available PIPE-242. Damp-rated, although limited covered outdoor areas may affect finish.
