Wall Sconce - Outdoor

Create instant curb appeal with the clean lines of this tapered outdoor wall lantern. Coastal-inspired, Lautner has a minimalist, timeless look that refines transitional to modern homes. The two-light, wet-rated sconce features an angular silhouette enhanced by a rounded handle and two support bars. Clear glass panels protect candelabra lamps and complement the slightly textured Natural Black finish. An open bottom allows for easy bulb changes. The fixture is crafted of powder-coated aluminum to prevent corrosion and durability and layered with a UV protectant to reduce fading. Use two to flank your doorway and impress guests with bright style.
