

# Mini Nyra Pendant LED T20

## DESCRIPTION

Mini Nyra by Tech Lighting is a stunning collection truly reflecting the essence of modern LED art. Nyra Low-Voltage Pendant features light guide technology in geometrically shaped acrylic LED panels producing an ample amount of general illumination. Offered in two beautiful finishes, Plated Brass and Nightshade Black, Mini Nyra provides enhanced visual impact when installed in multiples with various sizes from the entire Nyra Collection. Low-Voltage pendants are great solution as individual pendants and complement our Tech Lighting Monorail Track System. Complete your look with the entire Nyra Collection including Line-Voltage Pendants and Linear Suspension. Includes 12 volt 16 watt 430 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cutable cable. Nightshade black supplied with bronze cable. Plated brass supplied with satin cable.

## INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

## WEIGHT

4-4lb / 1.81-1.81kg ±

nightshade black      plated brass
