 Contract Suitable As Is

The Hutton is ultra-contemporary with the right touch of luxe. A simple frame presents three shades in differing finishes of antique brass, white and bronze, each staggered for optimal light. The bronze finished steel foundation seamlessly flows into a circular white marble base to effortlessly elevate its straightforward design. The three-shade construction makes this the perfect accent reading lamp stationed behind a sofa or reading chair. Complete with a taupe cloth cord and frosted glass diffusers. Marble will vary.
