HOYT FLOOR LAMP

76016-120
H: 67 IN, Dia: 23.00 IN
Bronze, Iron
Contract Suitable As Is

The elongated, open-frame construction of the Hoyt is defined by intersecting iron rectangles, creating a simple silhouette with modern sensibility. The airy, geometric design's footprint is minimal, making this an ideal piece to counter bulkier decor. A bronze finish distinguishes its fine form and adds an aged quality we love. Topped with an off-white linen drum shade with off-white cotton lining and a bronze sphere finial.
