White Gesso, White Linen

Contract Suitable As Is

With a geometric, abstract-style profile, the Obra channels a modern Bauhaus aesthetic. The slender silhouette is composed of a white gesso steel foundation with a white linen demilune shade. The oval shape of the backing complements the style of the half-moon shape of the shade, and the different finishes create a monochromatic story for this piece. Finish will vary. Damp-rated, although limited covered outdoor areas may affect finish.
